## The Blood Deeper

### Risk and the Killers – Book Three

The brutal murder during sex wasn't just for kicks—it saved their lives. Risk and the Kildare Killers, twins Marilyn and Sophia, narrowly escaped the nearwolf rampage that would have left them raped, butchered, and eaten—in any order. Even Widow joined the orgy and fled with them back to Beverly Hills.

But all of them had reasons to return to that hellish world Below the Bay. Fighting for survival again among the rampant fires and in perpetual darkness, they learn that their only hope is a fabled substance called The Blood Deeper, and it can't be found anywhere in Below the Bay.

No, to find that Blood, they have to go *Deeper*. And the only way to go to that deeper realm is with a vile suicide chemical called Touch-n-Go.

Amid their rampant, perverted sexual adventures, involving not just each other but virile mutants crafted for outrageous sex, all of them embark on a quest for their only possible salvation—The Blood Deeper.
