Lin Finity and the Torrents of Gold

In this bold and brazen final book in the Fringes of Infinity series, Lin Finity learns of the Torrents of Gold, and she faces a trap that her darkest desires might not be able to resist.

Lin's life has been a storm of challenges and conquests, gaining friends and attracting adversaries too. A relentless enemy, Lancaster Wolfe, evil in the flesh, has accepted that he can't destroy her—she's become far too strong. But would a crafty demon like him give up and walk away? Of course not.

Wolfe's plan for Lin is to prey upon her weaknesses—her intense desires. She knows her strength is unmatched, but she's only beginning to learn the shocking truths of her life, things that have been kept hidden from her, even by Gabriel. Wolfe knows of those truths, and he sets a trap that he believes her shameless lust will welcome.

If Wolfe succeeds, Lin will survive.

But she will no longer exist on the *fringes* of infinity.
